

APRIL TERM OF CIRCUIT COURT

Grand Jurors Drawn But Will Not Be Called at This Term of the Court.

NAMES OF THE PETIT JURORS

Several New Cases Have Been Filed During the Last Few Days. —Cases Dismissed.

The April term of the Jackson Circuit court began Monday. While there are no big cases on the docket which will attract much public attention, there are several cases on file in which considerable property is involved. A grand jury has been drawn but as there are no special cases for investigation, it will not meet this term. The members are: Ralph B. Meyers, Hamilton township; James Blair, Grassy Fork; Daniel H. Fountain, Carr; John W. Fountain, Brownstown; John McCord, Salt Creek.

The members of the new petit jury are: George H. Stahl, E. C. Bollinger, and Charles C. Kaufman, Jackson township; Martin B. Hendry, Salt Creek; William H. Henderlinder, Carr; John D. Stahl, Fred Auteneyer, Grassy Fork; Dave Walker, Hamilton; Bernard Ewing, Fred H. Christopher, Washington; Andrew Fountain and Robert Loudon, Brownstown; Benjamin H. Fox, Redding; Buell Brown, Salt Creek; E. E. Foster, Vernon.

Among the new cases filed are the following:

State ex rel, Alice Blevins vs Guy Pruitt. The defendant was bound over to the circuit court after a preliminary hearing at Seymour.

First National Bank of Brownstown vs Ralph Owens, Allie D. Flora and Daniel C. Bower, on note.

Mary B. Holman vs James W. Holman, divorce. The parties are from Glenlawn and the charge is cruel treatment.

Lee Leslie vs Eva Leslie divorce. The charge is abandonment, the wife having been gone from the county several years. The last heard of her she was in Illinois.

The case of Hettie Steinberger vs Ira W. Wells for breach of marriage contract has been dismissed, the defendant having left the state and his whereabouts being unknown.

The case of Harry Miller vs Ed. McDonald, on note, was set for hearing Wednesday.

HOUSE BURNED.

Fire Started By Explosion of Gasoline Stove.

The explosion of a gasoline stove at noon today started a fire which destroyed a small cottage on West Laurel street which was occupied by Mr. and Mrs. Taylor Kurtz. Mrs. Kurtz was preparing dinner when the stove exploded. The house being old and dry was soon in flames. So quickly did it gain a headway and spread over the building, that the fire department was unable to do more than prevent the spread of the fire to neighboring houses.

The household goods were a total loss. The building belonged to Alfred Beatty and was not valuable, the loss being not much over \$100.

Costly Blaze.

A large barn belonging to William Ervin, of Brownstown, burned to the ground Tuesday afternoon at 3 o'clock. It is not known how the fire originated for the flames had gained much headway before the fire was discovered.

The barn and contents were consumed at a loss of \$1,000 with \$400 insurance. The residence was only saved by a strong effort on the part of the neighbors and friends.

The beautiful country residence of John Brock, of Freetown, was destroyed by fire Tuesday afternoon. The fire started from a defective flue. Most of the contents in the house were saved and the loss is about \$700.

Gas Stove Demonstration.

Mrs. Ben Weil was awarded the 5,000 feet of gas at the Majestic Tuesday afternoon by the Seymour Gas and Electric Light Co. About one hundred ladies were present to hear the demonstration on the use of gas ranges. Tuesday afternoon, Mr. Draper is an expert in this line and his demonstrations which are free, are worth the time of anyone interested in cooking.

Business Change.

W. J. Weaver has sold his real estate business to E. M. Young and William Schrier, and will return to work as a harness maker. The new firm which will be known as Young & Schrier, will occupy the same office room that Mr. Weaver has had in the Pfaffenberger building and took possession today.

Rugs and Carpets.

We have them exceptionally cheap. You want them, you need them. It will pay you to let us show them to you.
a29d C. R. HOFFMANN.

A musicians' union at Bedford has sent to congress a petition for the repeal of the present tax on oleomargarine. Several unions of the same kind have sent in similar petitions. It has not been explained why musicians are particularly interested in oleomargarine.

Dr. J. K. Ritter has sold his lot on north Ewing street to J. H. Downing, the B. & O. S-W. engineer. The new owner will build a bungalow on the lot this year.

T. M. Jackson received a letter last night from Judge O. H. Montgomery who is in Phoenix, Ariz., for his health. The writer said that he is improving.

It is expected that the question of securing a route for the switch to the Seymour Manufacturing Company's plant will be settled by Thursday.

SCHOOL BOARD HELD MEETING

Tuesday Evening. Decided to Put New Heating Plant in Laurel Street Building.

THE SELECTION OF TEACHERS

All the Present Teachers Having Applications on File Elected For Next Year.

At a meeting of the city school board held Tuesday evening important business was transacted. It was decided after the close of school to excavate and put in a new heating plant at the Laurel street building. The matter of selecting teachers for the year 1911-1912 was taken up and all the present teachers who had applications on file were elected. Several of the teachers have not filed applications and no action was taken regarding them. It is the understanding that they can continue in their positions if they desire but the board was not certain that they desire to teach here next year.

Supt. Linke had no formal application on file. However there is no question regarding his re-election it being taken for granted that he will continue as superintendent.

The teachers selected last night were:

Miss Kate Andrews, Principal, Josephine Abel, Latin, Ella V. Davison, Elizabeth Reinhardt, H. C. Gast, Emma Alves, Lillian Volland, Amy B. Roegge, Adelaide Miller, Nellie Phelan, Edith Plenniken, Bessie Patrick, Mary Misch, Mentorina McDonald, Sadie B. Frey, Catherine Short, Daisy Alves, Katherine Fosbrinck, Nelle Switzer, Nina Patrick, Rose Hirtzell, Grace Doane, Adelaide Gasaway, Amanda Baird, D. W. Caine.

Recalls Hocklin.

A Columbus special says: "A picture of H. S. Hocklin, of Detroit, member of the executive board of the association of structural iron workers, has been recognized by Caldwell & Drake iron works, here, as that of the business agent or walking delegate, who had trouble with George W. Caldwell, head of the firm. Ferrey says Hocklin was here several times to confer with the company relative to the employment of union iron workers, and that he appeared at Tulsa, Okla., where Caldwell & Drake now have a big contract. There the argument between Hocklin and Caldwell waxed warm. Ferrey says this trouble occurred before dynamite was exploded at the plant of the contractors here and in the new courthouse the local firm is building at Omaha, Neb.

Carpenters making repairs at the wrecked office of the Caldwell & Drake iron works here, found a dynamite cap. It will be compared with dynamite caps uncovered by detectives at Indianapolis, Tiffin, O., and other places.

Walter Ritz, who has been in the hospital for two weeks for treatment, was able to be taken to his home today.

John Pfaffenberger is no better today. He is suffering from blood poison, affecting his hand.

INFORMATION

Regarding the Spraying of Orchards at This Time.

F. H. Simpson, of Flora, Illinois, writes the Republican as follows regarding the spraying of orchards at this time:

The bloom on most varieties of apples will be out too far to spray by the last of this week, and orchardists should not do any more spraying until the petals have fallen. As soon as the bloom drops they will want to commence spraying with two gallons of Lime-Sulphur solution and two pounds of Arsenate of Lead to fifty gallons of water. This is the important spraying for the Codling moth, or apple worm, and great care should be used to get it applied thoroughly, the main point being to get the spray into the bloom ends of the small apples. It is a well known fact that from 80 to 90 per cent. of the Codling moths enter the small apples at the blossom ends, and by getting the spray into the blossom ends before they close up you have a store of poison laid by as a protection against the future work of this pest. Thorough work with arsenate of lead and lime-sulphur after the blossom drops and before the Calyx end closes up will guarantee orchardists apples that are free of worms and at the same time protect the foliage against other leaf eating insects and apple scab.

I hope that a few of our orchardists will make up their minds to do their work very thoroughly and am sure if this is the case that you will have demonstration orchards in your section that will show beyond any question the value of spraying in growing apples, or any other fruit.

Sorrow and Heartache.

That sorrow and heartache abound in the midst of prosperity and happiness was demonstrated in one of the dry goods stores when an aged woman came in with two little boys aged four and six, looking for suitable and warm undergarments.

The woman who was grief stricken at the idea of parting from her little grandsons, imparted the news that she was buying for them the last time as she was unable to care for them longer. She had lost her husband a short time before and her daughter and husband had died a year ago, leaving her with no visible means of support which forced her to place the little ones in the State Orphans' home with the prayer that some one might take them and rear them in a pleasant home with advantages which she could ill afford. The poor old grandmother with nothing left but her sorrowful thoughts of the dead and shattered dreams of an old age spent in the merry sunshine of the little lads' youth, parted from them, as they were sent to the orphan's home at Indianapolis.—Bedford Mail.

DIED.

A. J. Schmidt, brother of Mrs. C. R. Hoffmann, of this city, died at 5:30 o'clock Wednesday morning at his home in Pomeroy O., after an illness of several weeks with pneumonia. He was well known in Seymour, having spent several months here last winter with his sister, Mrs. Hoffman was called to Pomeroy a week ago. The funeral arrangements have not yet been completed.

IMPROVEMENT WILL BE BEGUN

By Central Union Telephone Company Soon. Materials Have Been Received Here.

FOR NEW COPPER TOLL LINE

To Connect Seymour and Bedford. Will Greatly Relieve the County Lines.

The Central Union Telephone Company is preparing to erect a new copper circuit toll line between Seymour and Bedford.

A large quantity of material has been received here but the work on the line will probably not begin for a couple of weeks.

The completion of the proposed line will be a great benefit to the service. At present to get connection from Seymour with Bedford and points in that county and to the west, it is necessary to go through the Columbus or Indianapolis exchanges and often there is much delay. The new line will give quick and more satisfactory connection. It will also relieve the lines in this county to Brownstown, Medora and other points, for while the new line will not be used for communications from this city to those points, it will make the connections from these places to Lawrence county and other points much quicker and thus avoid many calls which have taken the time of the county lines in the past. Frequently a party from out in Jackson county desiring to call Bedford, has had to call Seymour a half dozen times before the line through Columbus could be secured. This delay and extra use of the county lines will be done away with by the prompt connection that will be provided by the improvement.

It is said that the next improvement to be made by the Central Union from this city will be the erection of a new copper toll line from here to North Vernon. When it will be put up, has not been announced definitely.

Entertained Class.

Mrs. Jerry Anderson entertained Mrs. W. A. Carter's Sunday School class of the First Baptist church Tuesday afternoon at her home on south Chestnut street. The afternoon was spent in putting a quilt together and in a pleasant social way. Mrs. H. G. Stratton assisted Mrs. Anderson. Refreshments were served.

Miss Mable Smith entertained the members of the Loyal Devoir Society Tuesday evening at her home on West Second street. The event was an experience meeting where each member told how she earned a dollar from a dime. The talks were very interesting and \$14.50 was added to their treasury.

REMOVAL SALE
We are going to move across the street from our present location within the next ten days. Shelving as well as shoes must be moved. With our present stock this would be a difficult task. So we wish to reduce the stock as much as possible. Now we are not going to sell shoes regardless of cost, but we are going to make a 10 per cent. reduction on EVERY PAIR OF SHOES in the house, and a 25 per cent. reduction on all broken lots.

ONE SUNDAY TRAIN

On B. & O. S-W. To Be Discontinued. One Other Change.

The westbound Sunday train on the B. & O. Southwestern which has been leaving Cincinnati for St. Louis at 1:25 a. m., will be discontinued. This is one of the trains which had been scheduled to stop at Browns town.

No. 55, known as the "Newspaper train," which left Cincinnati for St. Louis every morning except Sunday at 2:30 o'clock, will hereafter leave there at 2:15. This will make a slight change in the time of its arrival at Seymour.

These changes were decided upon at a time card meeting held by passenger representatives of the road at Cincinnati this week and will be effective May 14.

Married at Vernon.

Mr. Fred Emly of Jackson county, and Miss Nancy O'Conner of Zenas, Jennings county, were married Monday, April 24, at the Presbyterian parsonage in Vernon. Only a few intimate friends were present.

After the ceremony they drove to the home of Mr. and Mrs. James Allee, where a company was assembled. A wedding dinner was served, after which the guests were entertained with music. Later Mr. and Mrs. Emly departed for Jackson county where the groom, who is a prosperous farmer, had a home prepared.

The attendants at the wedding were Mrs. Olive Hoppe of Zenas, and George W. Miller of Seymour. Among those present were J. A. Alle and W. J. Allee of Zenas.

Mr. and Mrs. Emly received numerous, handsome presents.

Charge Dismissed.

Thomas Carter, who was arrested at Bedford on charge of running a blind tiger, has been released, the charge against him having been dismissed on motion of the prosecutor.

George Jackson, who was arrested at the same time as Carter, was fined and given a jail sentence.

Entertained.

Mrs. T. Roeger Carter was hostess to the "Rook Club" Tuesday evening at her home on Broadway. The evening was pleasantly spent in that popular game. Dainty refreshments were served. Miss Clara Jordan of Indianapolis, was an out-of-town visitor.

OSTEOPATHY

Liberates the inherent forces of the body; whereby uniform blood and nerve supply is established, assimilation is quickened, poisonous waste matter is eliminated, diseased parts are adjusted and strengthened, giving nature a chance to perform her proper work and build from simple food all parts of the body. Thus deep seated, chronic cases are aided to recover after other remedies fail.

AS WITH AUTO AND WATCH
so with the human body; it gets out of running order through the process of life and needs repairing. No defective machine can turn out good work. Every day that an "unclean" watch, auto, or any other machine is compelled to run, wears seriously its vital parts and saps its vitality. The longer you try to work while the body machinery is out of gear, the greater will be the damage it suffers. Health depends upon the human machine being kept in good mechanical order. Adjustment of the human body is the particular and special work of THE SPAUNHURST OSTEOPATHS.

That they are expert machinists and fix what is wrong is being demonstrated at their office over the First National Bank, Seymour, Phone 557. There can be no good reason for you to remain irritable and out of gear when opportunity to get well is knocking at your door. It is for you, sick friend. No charge is made for examination, and now is the time to drive away that tired feeling that usually comes with spring time.

If you know of any chronic cases on which the physicians of your locality have expended every available resource and failed, do them a good turn by directing them to the osteopaths that they may demonstrate to them the efficacy of their treatment. Reasonable time is absolutely necessary to overcome chronic cases of long standing. Hence you should be fair with the osteopath and take treatment sufficient time to adjust what is mechanically wrong and effect a permanent cure. The treatment is neither harsh nor painful, not a cure-all, but it makes more full and permanent cures of rheumatism, lumbago, sciatica, headaches, catarrh, asthma, paralysis, poor circulation, stomach and bowel disorders, than other methods. a19mwf-1f

A LIBERAL OFFER.

**We Guarantee to Cure Dyspepsia—
If We Fail the Medicine Costs Nothing.**

To unquestionably prove to the people that indigestion and dyspepsia can be relieved and that Rexall Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction to anyone using it.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is prepared by a process which develops its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid, and without it the digestion and assimilation of food are impossible.

The carminatives possess properties which aid in relieving the disturbances and pain caused by undigested food. This perfect combination of these ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

We are so certain of this that we urge you to try Rexall Dyspepsia Tablets on our own personal guarantee. Three sizes, 25 cents, 50 cents and \$1.00. Remember you can obtain Rexall Remedies only at The Andrews Drug Co., the Rexall store.

CIRCUS COMES WITH RISING SUN

Gentry Brothers' Trains Will Arrive Early in the Morning.

The first section of the trains bringing Gentry Brothers All New Feature Shows, will arrive in this city Thursday at six o'clock in the morning. Arrangements are made to have track room for the trains, that are today twice as large as ever before.

With the stopping of the first wheel a host of showmen will tumble forth from their berths, refreshed by a night's sleep and the show lots will be transformed into a city of canvass coliseums. To the casual observer, this will be accomplished in great disorder. But the training of the circus is such that no man makes an unnecessary move nor wastes any energy.

At ten o'clock the famous parade of the Gentry Brothers New Feature Shows will leave the grounds. It will traverse the principal thoroughfares,

presenting to old and young alike their nearest dream of fairy land.

The Gentry Brothers shows, which are the world's pioneers in trained animal exhibitions, have been so enlarged that they now present the realistic taming of leopards of the jungle and other ferocious beasts within canvas coliseums.

A large portion of the youth of the community will welcome the trains on arrival, because this feature appeals to both young and old. Gentry Brothers All New Feature Shows will give two exhibitions in this city Thursday. These displays will be upon a larger and grander scale than ever before in the two decades of the Gentry Brothers career.

The Kidney Cure Without a Failure

The Positive Cure That Revolutionizes Treatment of Kidney Diseases, Rheumatism and Bladder Trouble.

"These statements are not exaggerated. There is no necessity in doing so, because every man and woman suffering from kidney or bladder troubles, or rheumatism can prove it within 24 hours by getting a free package of Dr. Derby's Kidney Pills at any drug store."

Dr. Derby's Kidney Pills are ahead of the times, the only kidney and bladder treatment that makes good its strongest statement. Get a free package at your drug store and see if we have said a hundredth part of what these little wonder-workers do. Now listen, sufferers, don't get excited. Just lay away all your present treatments for your kidneys, back or bladder. If you have pain in the back, profuse or scanty urination, colored or foul urine, rheumatism anywhere, diabetes, pain in the bladder, or terrible Bright's disease, just get a 25c package of Dr. Derby's Kidney Pills at any drug store, and see the difference in yourself in 24 hours. If you think this is too good for you to believe, just ask your druggist for a free sample package and try it, remember Dr. Derby's Kidney Pills—25 and 50 cents. We will send you the laboratory report of Dr. Derby, Co., Easton, Pa., if you wish. They are safe, guaranteed. 12.

Governor Marshall's presidential boomlet has been struggling heroically to weather the storm of criticism which followed his astonishing action in trying to hand the state a constitution of his exclusive manufacture and now comes more trouble for the said boomlet. The labor unions are bitterly denouncing his part in the arrest and hurried removal from the state of the secretary of the structural iron workers' union. He may have merely done his duty as an executive and followed the ordinary course of procedure in such cases, but the attacks of some of the labor unions and leaders on him will not tend to convince members of his party in other states that he is the logical man to head the ticket next year. The Governor is now busy explaining, trying to shift the responsibility and promising to be good in the future.

The new civic organization formed by women might start its work of beautifying the city by advocating the passage of an ordinance to prevent tacking signs and advertisements on telephone and electric light poles. The poles, while a necessary evil, are unattractive and objectionable in appearance at best and when covered by tin, paper and other signs, do much to ruin the beauty of a street. Just at present many poles in the business district are decorated with flaming, ugly advertising banners for a dog and pony show. The same kind of banners are floating from poles in Columbus, Franklin and other neighboring towns and are arousing the people to action in several of these places. There is no ordinance here to prevent such use of the poles but there ought to be.

Senator Kern and Representative Dixon are becoming too popular and prominent to suit some of the other distinguished Democratic statesmen in Indiana. It has been charged by friends of other Indiana representatives that Dixon has been inclined to hog the ring in the matter of committee appointments and in appropriating too many of the fruits of Democratic victory. Now Senator Kern gets the particular committee assignment that Shively, the senior senator, felt he was entitled to. And to the disgust of Governor Marshall, who has presidential aspirations, a vigorous boom for Kern for president has been launched by his friends. In Indianapolis a Kern for President club has already been organized.

It has been a favorite argument of the men favoring licensed saloons, that the opening of the latter would put the blind tigers out of business. Seymour will soon have an opportunity of determining how much truth there was in the claim. Newspaper and other reports from Washington are that the reopening of the saloons there has not interfered with the blind tigers but that if they existed before they still exist with the saloons as a protection. If liquor has been freely sold illegally in Seymour during the past year, it has of course not been the fault of the local option law but the failure to enforce the laws and there is no reason to expect that the laws will be better enforced in the future than in the past.

Thursday is the date for the local option elections in several townships of the county. The temperance people should realize the importance of victories in these township elections. Not only is it important to keep their respective localities clean of saloons but the influence of the victories in demonstrating that the people have not receded from the position taken at previous local option elections counts for much.

The Mitchell Tribune says that Washington people were so confident that the census enumerators made a mistake in counting noses last spring, that now since Washington has opened up the saloons again, the government ought to order another count, for the noses are beginning to show up like searchlights on a battleship and there would be no excuse for missing any of them.

Knolen D. White, who travels for Harcourt & Co., of Louisville, the engravers who are represented in Seymour by the Daily Republican, was here this afternoon on his way to visit his grandmother at Freetown, Mrs. Mary J. Chute and other relatives. He will make a trip through southwestern Indiana and visit his mother, Mrs. Eliza Poore, of Carmi, Ill., before his return to Louisville.

Nellie Hibner is suing for divorce from Joseph Hibner. She charges cruel treatment, alleging that he used ugly and indecent language toward and cursed and threatened her. She asks for the custody of their child and provision for its support. The defendant has figured in divorce cases in the past. The child won a prize in the baby show at the Kentucky State fair last year.

W. L. Gale, a piano salesman of Louisville, was taken suddenly ill last night while attending a show at the Dreamland theatre. He fell to the floor striking his head on a chair in front of him and cutting an ugly gash on his face. He was removed to a physician's office and later to the E. H. Peters boarding house where he was rooming. He was able to return to his home in Louisville today.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. ROYAL BRAND

For Boys, from 8 to 16, our \$3.50 Suit is a great favorite, while our Suit at \$5.00 is far ahead of anything sold at that price. We are having many of our suits made with two pairs of pants, which doubles the life of the outfit. Handsome line for little fellows, 3 to 8 years old.

THOMAS CLOTHING CO.

STEINWEDEL'S

REMOVAL SALE

And complete Clearance of Our Entire Stock

\$25 000.00 WORTH of MEN'S and BOYS'

Clothing, Hats and Furnishings

Must be Sold Out Completely in 15 Days

We will open a new store May 16, in the room formerly occupied by the John A. Ross Shoe Store, Two doors south of the First National Bank, with an entirely new stock.

The Seymour National Bank having purchased this building and determined to erect a new bank building on the site, I am forced to vacate May 16, 1911. I have secured the building formerly occupied by the John A. Ross Shoe Store, second door south of the First National Bank, and will have the store completely remodeled and open with an entirely new stock about May 20, 1911.

We have determined to close out this entire stock before that date. The time is limited. The goods must be sold. Quick action is what we want, let the goods bring what they will. Costs and real values will not be considered.

To close out a stock of this size, completely in 15 days is, we know, a big task but we believe in the power of tremendous price reduction to do it. Remember everything will be sold and exactly as advertised. You know from past years of dealing with us that you can depend upon us.

STORE CLOSING ALL DAY, WEDNESDAY, APRIL 26, to mark down goods and arrange stock for quick selling and handling of crowds.

We want everything absolutely new for our new store

This entire stock must be closed out at once.

Sale Opens Thursday, April 27, at 9:00 a. m.

Childrens Suits

At Marvelous Price Reductions.

We have always made the Boys' section one of the most important features of this store. To fit the boys out here is a pleasure indeed, the assortments are so large, the styles we show so becoming, our prices so reasonable. During this sale there will be bigger inducements than ever to buy clothes for your boys here. You can now fit the little fellows out completely with good dependable clothes at a fraction of what the goods regularly sell for.
